The daring option - only possible in safe weather and dry conditions.

The furniture as well as the decoration must be rented externally.

Plan B if the weather doesn't quite cooperate.

This option can be switched to spontaneously on the day itself.

DINNER OUTSIDE

The weather in Switzerland is hard to predict. On the day itself we will decide together, if the dinner will be served inside or outside. Our house is located at 914 m.a.s.l., which means it may become quite chilly in the evenings and sometimes very windy.

AWNING

The terrace is covered in nice weather and protected from rain and sun.

In case of wind, the awning is retracted.

TABLE SETTING

We set the tables in white. Of course, the decoration can be arranged individually through one of our partner companies.

APERITIF

In case of uncertain weather conditions, the aperitif can be held outside and the dinner inside.

HOTEL VILLA HONEGG

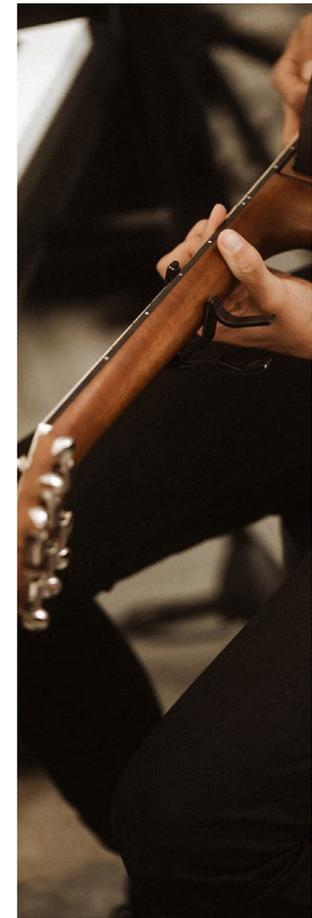

DINNER INSIDE

Our restaurant can accommodate up to 60 people. If narrower chairs, as in the picture, are rented in addition, 70 seats can be arranged.

EXCLUSIVITY

A wedding ceremony followed by an aperitif, wedding dinner and the wedding reception without an overnight stay in our hotel is not possible due to lack of space.

OPEN SPACE

In most cases, dinner is planned in the restaurant. In this case, the windows to the terrace can be kept open, creating an open space from indoors and outdoors.

ENTERTAINMENT

Due to the exclusivity, the whole event can be designed according to your wishes.

HOTEL VILLA HONEGG

MENU

Our regional menu is seasonally adjusted four times a year. We will gladly send you the current menu as well as further aperitif and menu suggestions, from which you may compose a uniform menu.

You are also welcome to tell us your personal wishes and we will create a tailor-made menu for you.

HOTEL VILLA HONEGG

PARTY

Since Villa Honegg is located in the midst of greenery, you can party all night long and follow your preferences - let your creativity run free.

HOTEL VILLA HONEGG

CINEMA

Our in-house cinema with 20 seats is available for presentations, slideshows or as a kids room and also the midnight snack may not be missing.

HOTEL VILLA HONEGG

SPA AREA

Of course, you may also enjoy our spa area. For an exquisite pool party or relaxing hours.

INFINITY POOL

The outdoor pool with a view of Lake Lucerne and the mountains is heated to 34 degrees all year round and lets you immerse yourself in a world of your own.

TREATMENT

A facial before the ceremony for the necessary refreshing boost or a massage afterwards to relax - we will be happy to reserve an appointment for you and your guests.

SAUNAS

Treat yourself to a soothing break in our bio sauna (55 °C) or the classic Finnish sauna (85 °C).
