From the farm | from the lake

- angus beef entrecôte from the local Holzen butchery 64
*Tender and flawless quality of meat, juicy and aromatic.
Originally bred in Scotland in the 18th century with the aim of obtaining a breed of cattle that produces less milk and produces a higher class of meat.*
- guinea fowl breast from Eastern Switzerland 49
*The dark meat is very juicy and tender and has a low-fat content.
Originally from South Africa. Fed with a grain mixture containing the original Rheintaler Ribelmais. These guinea fowl have a comparatively long breeding period of twelve weeks.*
- confit “Brüggli” char 54
*Its meat is salmon-like, but much more tender.
Due to its nutritional value, it is by far one of the favorites of any high-protein diet. This first-class fish is bred by a family business in the canton of Schwyz.*
- veal steak from the local Stalder butchery 63
*Extremely tender meat from Nidwalden calves.
In winter they enjoy the warmth in the barn and in spring the natural environment on the alp. The lush alpine meadows with their herbs are tasty and healthy food for the calves.*
- side dishes** - The dishes mentioned above are served with ratatouille, green beans and fennel. You can choose between fried potatoes, leaf salad or herb risotto.

The heritage site

Centuries ago, the land of «Unterhonegg» in Ennetbürgen was widely known as one of the most beautiful spots in the area. Here, at 914 meters above sea level and perfectly situated, is where the local entrepreneur Emil Durrer fulfilled his dream in 1905: he built his own hotel. The former «convalescent Honegg» hosted 72 beds and was a typical family-run business. Even in those days, the highest quality home-grown produce such as milk, eggs, cheese and meat were supplied by local farms. Eighteen local employees welcomed guests from all over the world during the summer season. The guests spent several weeks – even entire summers – in the hotel and its scenic surroundings. As pastimes, activities like tennis, croquet, boules, hiking and billiards were very popular.

In 1978, the main hotel closed, though the terrace remained open, functioning as a small garden restaurant. In many ways throughout its history, Honegg has been a place of relaxation and indulgence.

Since 2007, the hotel has been privately owned. The beautiful building was lovingly refurbished to the highest standards, and in May 2011 it was re-opened as «Hotel Villa Honegg», a 5-star superior hotel with 23 guest rooms and suites, a private cinema, a state-of-the-art conference room and a small but fine spa area including a heated outdoor infinity pool with a breathtaking view over the lake and the Alps.
